Hi Aim, a knowledge sharing platform which promotes intellectual dialogues to find ways and means to help and promote hospitality and responsible tourism will be holding their 6th conference Hi-Aim 2017 on February 21st and 22nd at Soaltee Crowne Plaza. The first four conferences were held in India and Hi- Aim 2016 was held at Colombo which was received very well by the Sri Lankan Hospitality & Tourism Industry as well the Sri Lankan Government.

“United Nations declared year 2017 as ‘International Year of Sustainable Tourism for Development’. This is the reason why Hi-Aim team decided hold this year’s conference in the hub of legal tourism, “Kathmandu,” says a statement from Hi-aim.

The forum offers a platform to discuss and interact with Industry experts who participate in the panel discussions as also address pertinent issues of the hospitality industry through presentations, brainstorming sessions and case studies. Highlight of the conference is the 'Honour Ceremony' where Hi-Aim honours the industry stalwarts for their contributions to the Hospitality Sector and this year, Hi-Aim Secretariat would honour the stalwarts of Nepal's Hospitality Industry.
